Dear Ms. Best,

This is our final reply to your 17 June 2019 Freedom of Information Act Request (FOIA # 2019-03699-F) that we received in our office on 12 June 2019 requesting:

- **Documents mentioning or relating to Anonymous (the hacker movement/collective, see below) or hacktivism (defined as hacking as a form of protest and/or activism) generated between 1 January 2009 and 1 January 2019, including but not limited to:**
 - * **Internal reports, bulletins, warnings and alerts relating to Anonymous or hacktivism**
 - * **Reports from the appropriate IT (Information Technology) or computer offices regarding possible cyber-attacks by Anonymous or other hacktivists**
 - * **Reports, bulletins, warnings and alerts relating to or mentioning Anonymous or hacktivism sent to or received from any federal law enforcement or intelligence agencies or any fusion center**
 - * **Incident reports investigating possible hacking activity falling within the office's jurisdiction and allegedly carried out by members of Anonymous or other hacktivist groups**
 - * **Materials generated as a result of any suspected or actual compromise, breach or "dox" (revealing of personal or private information) by Anonymous or other hacktivists (Date Range for Record Search: From 1/1/2009 to 1/1/2019)**

After review from the Joint-Base San Antonio FOIA Request Service Center, 624 OC and the 24 AF Legal, it was determined that after extensive search, there are **"No Unclassified Records Found"**. However, there were classified records found that belongs to Army Cyber, National Security Agency, Federal Bureau of Investigation, and the Central Intelligence Agency (the original classifiers). As a result, we recommend you submit individual FOIA requests to each of the following agencies listed below:
